

A WIDER CIRCLE

A unique, holistic approach to ending poverty

To Our Great Volunteers,

There is no question or close second. Birth is by far the number one reason that the people we serve are in poverty. At A Wider Circle, we are tired of seeing so many children born into poverty, only to remain there for life. In a region and a country with so much, too many people live with too little. We know we can change this, and it is our mission to help one individual and one family after another to rise out of poverty.

We work seven days a week, 365 days a year because nobody we serve is in poverty Monday-Friday, from 9:00-5:00. Our holistic approach focuses on the provision of basic need items, workforce development, wraparound support, and neighborhood revitalization. Since 2001, A Wider Circle has served more than 185,000 of this region's most vulnerable children and adults.

The key to our organization's work is unquestionably volunteers. The following excerpt is an example of the impact our volunteers make in the lives of these families:

“This has been an absolutely uplifting experience! To see the length others will go from the kindness of the heart is amazing. It goes to show what could be so little to one person can be everything to someone else... Thanks to all the volunteers and staff!”

Volunteer Agreement

Thank you for volunteering with A Wider Circle! The success of our programs depends largely upon volunteers like you. As you work today, please keep the following guidelines in mind:

- **Please be respectful and courteous to all people at all times. When you are here, remember that you represent A Wider Circle. This means not engaging in potential offensive behavior including cursing, horseplay, and wearing clothes that are potentially offensive.**
- **Communication should be professional at all times. Everyone is here to serve and help others, and that should be the spirit of every interaction – with donors, clients, and other volunteers.**
- **Please refrain from using your cell phone while volunteering. It is important to be present for the work you are assisting with.**
- **Slow down! Rushing to unpack and move items causes injury to people and furniture.**
- **Remember to lift items properly (with your knees, not your back), and to take breaks when you need them.**
- **Be kind to the floor and walls. Please do not drag furniture as it may scuff or damage the floor. Maneuvering items can be tricky; please be patient and plan accordingly.**
- **Please do not fill empty shelves with items that don't belong there. If there is no space in the designated area, please ask a staff member for assistance.**
- **If a piece of furniture is taken apart, please tape together and label all of the pieces. Disassembled and unlabeled items are not selected by our clients and are eventually trashed.**
- **If you need to track your volunteer hours, please ensure you always sign in and out on the logs. We can only verify the hours logged in our system.**
- **All volunteers under the age of fourteen need to be accompanied by an adult chaperone.**
- **Remember, you are not expected to be an expert. If you are uncertain of anything, please ask a staff member, intern, or an experienced volunteer for help.**

Again, thank you for taking your time to help others through A Wider Circle!

I have read these statements and by signing below, I agree to adhere to these guidelines.
