### **Bozzuto Sponsors A Wider Circle's Home Reimagined Initiative to Transform Homes Across the Washington, D.C. Region**

*50 homes will be fully furnished and designed in a single day for families in need*

**SILVER SPRING, Md. May 5, 2026** – A Wider Circle, a leading nonprofit dedicated to providing furniture and essential resources to individuals and families across the Washington, D.C. region, is proud to announce that Bozzuto will sponsor its Home Reimagined Initiative, taking place on May 7, 2026.

The Home Reimagined Initiative is a one-day, large-scale service event that transforms empty apartments and houses into fully furnished, professionally designed, and functional homes. On this day, volunteers, designers, and partners will come together to complete 50 home transformations – all at no cost to the individuals and families served.

“Home Reimagined brings our community together to support neighbors in a powerful, tangible way,” said Lara Gagrca, Director of Home Reimagined. “In just one day, we transform empty spaces into fully furnished homes – creating comfort, style, and a fresh start for the families we serve. We are especially grateful to Bozzuto for their sponsorship, which helps make this work possible and allows us to deliver life-changing transformations across the region.”

Through this sponsorship, Bozzuto will play a key role in supporting the transformation of homes and lives – helping ensure that families transitioning out of housing instability have not just a place to live, but a place that feels like home.

“At Bozzuto, we hope to leverage our success to create meaningful, intentional change in the communities we serve,” said President and CEO of Bozzuto, Toby Bozzuto. “Together, we can set an example of purpose-driven work, where our collective impact sparks a lasting, positive transformation.”

Through Rise by Bozzuto, the company's corporate social responsibility platform, associates are empowered to step beyond the workplace and engage in meaningful volunteer efforts together, united by a shared commitment to making a positive impact and supporting communities in need.

For 25 years, A Wider Circle has served more than 300,000 individuals and families, providing essential items and support that empower neighbors to build stability and thrive. The Home

Reimagined Initiative is a powerful extension of that mission, combining community engagement, design, and direct service to meet urgent needs.
